Join the…ANIMAL RESCUE TEAM!

How would you like to help send a rescue dog to its "fur-ever" home?! The remarkable feeling of rescuing current dogs waiting for "fur-ever" is boundless. Find out how being an animal rescuer combines empathy, technology, writing, team building, and marketing skills all in one. Practice how rescue organizations edit photos and videos of the dogs and write creative descriptions for social media postings. Many rescue workers do not work directly with the dogs themselves. Their behind the scenes work brings a rescue dog to its final destination: A "fur-ever" home.

Requirements: a personal iPad with Wi-Fi and Bluetooth (charged and ready) and the PicCollage App downloaded (it's free).
