BUILDING DEPARTMENT***

**DEPOSITING MATERIAL ON HIGHWAY
(DUMPSTER) PERMITS**

A depositing material on highway permit is required in Rockville Centre when you are placing a dumpster anywhere except private residential/commercial property, which requires no permit. For example, if you place the dumpster in front of your house, you need a permit, if you place it in your driveway, you do not. The location of all dumpsters requiring permits is subject to approval by the Building Department Inspectors.

REQUISITES FOR PERMIT:

- Completed application obtained from Building Department.
- Check for \$175.00 for up to five days (\$35 per day thereafter).
- Proper liability insurance certificate naming the Village of RVC as an additional insured in the amount of \$1,000,000 and as a certificate holder.
