The Village of Rockville Centre is pleased to announce a new initiative to beautify our business districts. We are creating banners to display our new Hydrangea Village Logo and we are offering sponsorship opportunities for each banner.

Sponsorship pricing includes the making of the two sided banner and two years display on a Village Light pole.

All proceeds from the sponsorship of a banner will go to future beautification projects in our Village. The Sponsor's name and one line of information will be placed at the bottom of the banner. Further information and an order form with payment instructions is attached.

We look forward to beautifying our vibrant Village together!
