WATT-HOUR and DEMAND METER

Bid No. 2301E1(1060)

## Addendum #1

1)

**Are you open to alternative meters to Itron/Centron Meters? Do you have L+G command center to communicate with L+G meters?**

Answer: The Village does not have an L& G command center for L&G meters, and aren't set up for other meters unless they intergrate with the Itron system.

2)

**Can you help me out with the Insurance requirements in this bid? They seem like policies that a manufacturer would carry, not a distributor? Also never heard of Errors and Omissions Insurance? Is this stuff really required?**

Answer: If you are the awarded vendor we can review your available insurance at that time.
