CHEMICAL WATER TREATMENT AND COOLING TOWER MAINTENANCE

Bid No. 2302E1(1061)

## Addendum #1

In response to a question asked of the Village:

All the systems have a chemical feed station with the exception of 1. Are you looking for us to provide equipment for this system and if so there is no line item to supply a price. In addition if you intend on getting equipment for that tower is there a spec of the type of equipment you want.

**Answer: We have the equipment for the chemical feed station for system 9 & 10 that does not have the station. NO, we are not looking for you to provide equipment for that system.**
