

### About the Program

Our Nursery School Program has all the advantages of the Recreation Center's facility which includes a superb playground and spacious outdoor areas. We have large fully equipped classrooms in the Joan S. Schapiro Early Childhood Education Center, the use of 2 gymnasiums, facilities for drama, art, dance, science, and cooking,

Agility equipment is used regularly by the children enrolled in the Recreation Center Nursery School classes to enhance motor development and large muscle coordination and for pure enjoyment.

Our expert teachers and caring staff have years of experience in your community and provide a warm, loving atmosphere in which the uniqueness of each child is appreciated. He or she is provided with unlimited opportunities for social, emotional, physical and intellectual growth.

We are a pre-school education facility serving Rockville Centre and surrounding communities.

Young children need the opportunity to interact with their peers in an environment especially geared to their needs. We have that environment, come and see for yourself!

Please call the Recreation Department office at 678-9238 to arrange an appointment for a visit.

In addition to our wonderful classrooms and gymnasiums, we boast one of the best outdoor playground facilities in the area.

Nursery School children may use the playground every day, weather permitting as well as one of our 2 fantastic gymnasiums.

### Other Programs for Pre-K Children

The Rec. Department offers many programs to enhance your child's love of learning:

Enrichment classes

Introduction to Gymnastics
