**Subject: Thank You**

These last two weeks have been long and difficult for us all. It is humbling to see the response of our medical community and first responders, as well as those who are keeping our world functioning as normally as possible. They are a true inspiration and are heroes.

We have many heroes of our own here in Rockville Centre. Our employees have risen to the daily challenge of providing the essential services. Thank you for your continued flexibility, understanding, patience, and cooperation. We understand that these circumstances have not been easy on you or your families. While I have had the opportunity to witness the spirit of Rockville Centre in the face of different adversities, it has been especially rewarding to watch over the past few weeks. The spirit of Rockville Centre has never shined brighter. Thank you for truly being the Village's greatest asset.

We will weather these challenging times together as we always do. We are Rockville Centre Strong! God help us and guide us all, as we navigate through and together fight to keep our community safe.

Sincerely,

Francis X. Murray  
Mayor
